

Tired of big tubs of protein? No, we're not talking about your spunky date or the posers at the gym.

We're talking about the bland tasting, oversized, overly aggressive protein tubs that have men written all over them (literally.)

WheyBox gives you a more convenient way to store, carry and consume delicious whey and protein powders without all the bulk.

Our single serving sachets of whey and vegan protein come in 16 tasty flavours, available on subscription or as one-off purchases.

Select your flavours and mix and match between whey and vegan protein.

- 10 sachets per box.
- Gluten free
- GMO free
- Vegetarian and Vegan Friendly

No more blandness.

No more bulk.

No more time consuming prep work.
